## Event Overview

The Billionaire Mindset is a power-packed financial literacy workshop crafted exclusively for doctors — blending the science of money with the art of decision-making. This immersive program combines:

- 15-hour Online Pre- workshop - Foundation Program for financial literacy.
- 8-hour Live Session – engage with real-world wealth strategies and portfolio-building.
- 4 Dynamic Workstations – experience hands-on application through guided simulations.
- The art of choosing the right Asset, right time, right mix.
